

RSV 130 / 200

Backpack Vacuums Corded

With over 2,000 hours of motor life (double the industry standard) and a patented tank that never loses suction; these units are built to last.

RSV 130 and RSV 200 Key Features

- At only 10.8 pounds, the RSV 130 is among the lightest full-size backpacks on the market
- Larger capacity RSV 200 weighs in at only 12 pounds
- Adjustable back support and waist and shoulder straps are designed to minimize operator fatigue
- Patented tank design ensures suction is never lost regardless of how full the bag is
- High performance 680 watt vacuum motor with 2,000+ hours of life - **over double the industry standard**
- Industry leading 5 year commercial motor warranty
- Consume 43% less energy than competitors' 1200 watt units - **the most sustainable vacuums on the market**
- Soil recovery is an industry leading 84%, prolonging your carpet's life and improving IAQ
- Noise levels of 52 dB(A) won't disrupt building occupants and are excellent for daytime cleaning
- Power switch is conveniently located on a short cord that stores on the belt
- Specially designed floor tools support "back and forth" or "side to side" cleaning
- 99.97% efficiency improves indoor air quality and reduces dust
- Hose swivel fittings ensure tangle-free operation
- Both units come with thermal protection for operator safety
- Units meet or exceed LEED-EBOM and CIMS-GB and are CRI approved

RSV 130

RSV 200

MODEL

RSV 130 / 200

Motor / Life	680 W, 1 stage, 2,000+ hours	Weight	10.8 lb / 12 lb
Water Lift	100"	Power Cord	42'
Airflow	120 cfm	Noise Level	52 dB(A)
Capacity	1.5 gal. / 2.5 gal.	Tank Construction	Polypropylene
Filtration*	0.3 micron @ 99.97% efficiency	Working Capacity	7,400 sq. ft. / hr.
Soil Recovery	84%		

*Meets HEPA spec for non-hazardous recovery and exceeds LEED-EB spec

NaiCare upright and canister vacuums meet the stringent certification requirements for the Carpet and Rug Institute (CRI)
